我の名はズシオ

MY NAME IS ZUSIO

Are you familiar with this manga, everyone?

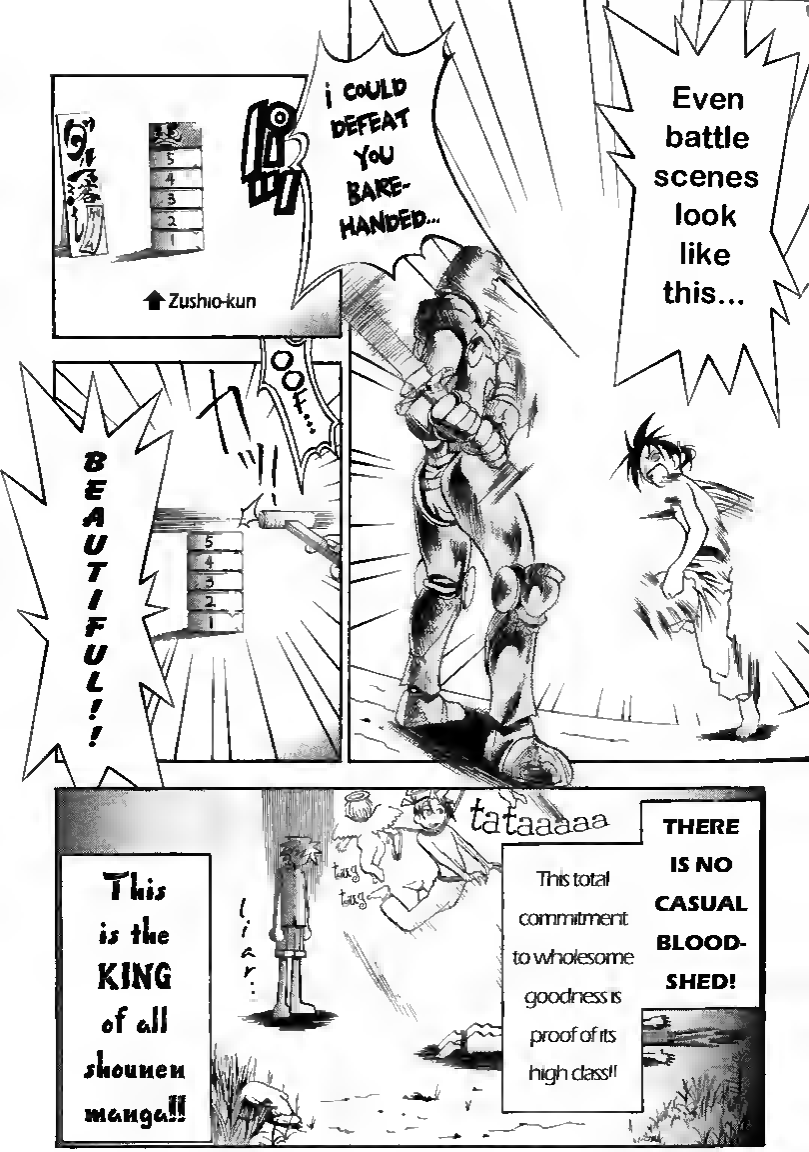
Please God... Let there be world peace
Look at this kind-eyed young man
It's called "My Name is Zushio" !
Thia is s manga that caring mothera can allow thair children to resd without fsar
He is PRINCE ZUSHIO.
That's right, he's a prince!!

Half a year ago, some bad servants staged a rebellion and stripped him of his crown,
Killing his parents and separating poor Zushio from his elder sister
Little Zushio is plagued by lonesliness and fear of his pursuers
HISS~
NEBUUU FRIEND
But Zushio never loses his characteristic brightness!!
aha
oho...
PATTER PATTER PATTER
KAAAAAAAAAA
let's give off the deep end!

DON'T DRAG ME INTO THIS!!
The friends who flock to happy Zushio's side!
even when I would have abandoned him
...But he's never abandoned me when I've been in trouble...
I'M A GIRL !!
skiiing
Come pee with me, buddy
A deepening man-to-man friendship!
Flowers bloom at his smile
TREE
Look! The ottershock is killing the tree!
LEAVES
When he puts out his hand, animals come to touch it...
When Zushio sings, all the birds of the sky burst into song in unison...
they're all falling stiff as boards

On this point, there is nothing to fear from "My Name is Zushio".
Take for instance, scenes in which Zushio rampages with a knife.
In today's manga, you will often see shocking scenes of outregeous violence.
What if small children were to imitate this? It would be dreadful!
Father
oh baby, please don't do that
This is dangerous if not used on humans as directed!
NOW YOUR CHILDREN WILL NEVER IMITATE HIM.
But the knife Zushio uses is a "Human-Use Knife" which is entirely different!
Oh, what a relief!
Children must never take dangerous, everyday knives and swing them around! It's dangerous!
i'M a HUNTER!
Pillar
And if they do, just tie them up for an extended period of time!

FOR INSTANCE, IF ZUSHIO FELL FROM A GREAT HEIGHT!!
All scenes of grotesque quality have been entirely neutralized through abstract imagery!
BWAHAHAHA...
TEDDY BEAR
Zushio-kun
But if we insert this representation instead, the gore is entirely removed...
In normal manga, this would end with buckets and fountains of blood and gore!!
WA HA HA HA HA HA
THIS IS NOTHING TO ME!!
POP
FLOP!
HE'S GONE SOFT !!



Even battle scenes look like this...
I COULD DEFEAT YOU BARE-HANDED...
Zushio-kun
OOH...
BEAUTIFUL!!
tataaaaa
tag tag
liar...
This is the KING of all shounen manga!!!
This total commitment to wholesome goodness is proof of its high class!!
THERE IS NO CASUAL BLOOD-SHED!

AND FEELING !!
ADVENTURE !
DREAMS !
SOME THING just passes by.
Get?
If you get the first volume, now you're all good to go!!
Of course, YOU are the only one who can finish this journey!
HIS NAME IS ZUSHIO!! THIS IS HIS GRATUITOUS VIOLENCE!!
Don't miss it!
